

THE 17th EGHAM HYTHE CHRISTMAS TREE FESTIVAL

St Paul's Church, Egham Hythe

Wednesday 2nd – Sunday 6th December 2026

Dear Friends,

We would like to invite you to participate in this special event as we look forward to welcoming all our different local groups to display Christmas trees for the enjoyment of our community.

The concept is simple: local groups, businesses, societies, families, friends and individuals are invited to bring a Christmas tree to the festival and decorate it to a theme of their own choice. Trees can be themed to promote a particular cause, humorous, thought provoking, or just simply artistic.

When the Festival has finished you can either collect your tree and use it for Christmas or donate your tree and its decorations to a local charity who will pass it on to families who would have otherwise gone without.

St Paul's Church will be open for installation of the trees on Monday 31st November from 10am-midday and then 4pm-8pm.

The Festival will be opened by the Mayor of Runnymede at 9:30am on Wednesday 2nd December along with performances from The Magna Carta School band and the Hythe and Thorpe Lea school choirs.

Everyone is then invited to stay for refreshments and 'Meet the Trees' and their exhibitors to discover just what is on offer in Egham Hythe.

The Festival will close with a Christingle service for all the family on the afternoon of Sunday 6th December.

If you are not donating your tree, then the church will be open from 4pm till 8pm on the removal of your tree on Monday 8th December (Appointments can be made to open the church earlier if that time doesn't suit).

We will be offering a variety of accompanying events – please see our website <https://www.speh.org.uk/community-2/christmas-tree-festival>

If you would like to enter a tree into the Festival this year please respond by completing the attached form and return to office@speh.org.uk marking the e mail **CTF26**– don't forget to tick the box to allow us to keep you updated via the contact details you supply.

We look forward to welcoming you.

Thank you!
